

# SINGIN' IN THE RAIN CALENDAR

## JANUARY-MARCH 2010

### CALENDAR EXPLANATION:

- Two daily rehearsals happen at the same time – be sure to check BOTH REHEARSALS  
Burick Rehearsals are for scenes/choreography; Visker Rehearsals are for vocal work
- Check scenes/songs done in Burick Rehearsals so you know which ones you are expected to attend – attached is a breakdown of scenes & songs to help you figure this out – however, YOU are responsible to check the script & know when to be there
- Here is some helpful info:
  - If you are listed in a scene in italics, that means you are only in a dance number or song within that scene. Therefore, you do not need to come to the rehearsal for that scene until the scene is listed as memorized (during the first week of February) – that is when the dance number/song must be memorized as well.
  - If you are listed in a dance number, attend its choreography rehearsal
